EVITAMOS EL USO DE POPOTES. UNA PERSONA UTILIZA 38,000 POPOTES EN SUVIDA.

EN EL MUNDO DIARIAMENTE SE UTILIZAN 500 MILLONES.

TARDAN 100 AÑOS EN DEGRADARSE. SI LO TIRAS A LA PLAYA CAUSA GRAVES DAÑOS A LAS ESPECIES MARINAS.

WE AVOID THE USE OF STRAWS. ONE PERSON USES 30,000 STRAWS IN HIS OR HER LIFE.

IN THE WORLD EVERY DAY 500 MILLION ARE USED.

IT TAKES 100 YEARS TO DEGRADE. IF YOU THROW IT ON THE BEACH, IT CAUSES SERIOUS DAMAGE TO THE MARINE SPECIES.
